It was founded in August 1990 and is located at No.1, Zone B, National Foreign Investment Industrial Zone, Enping City, Guangdong Province (edge of National Highway 325) with an area of 36,000 square meters.

Our Products

The company specializes in the production and operation of wired and wireless microphones, teaching machines, speaker amplifiers, mixing consoles, audio equipment, and other electronic products.

Exported to More than 30 Countries and Regions

Our products are mainly export-oriented, which are exported to more than 30 countries and regions such as Southeast Asia, the Middle East, India, Japan, South Korea, North and South America, Africa, Australia, and Europe, and are well-received by customers. After more than ten years of unremitting efforts, the company has established its brand (Rider), and in 2004, it won the Guangdong Province famous brand. The popularity of products has gradually increased. Product sales has always been the best in the industry.

ISO-Certified

The company established a complete set of development software and hardware, and a scientific research team and a quality management system. In 2014, we established an R&D center with the Institute of Sound Institute of the Chinese Academy of Sciences to research new products. In 2001, we passed ISO 9000 international quality management system certification and purchased more than 20 automatic production lines and more than 10 CNC digital equipment.
