- 1: Pls well noted all the thermometer if Chinese need export., Need item number registrations license and produce license.
2: Pls check all the CE and ISO and FDA registration number. This is need to clear custom . Many Fake CE and FDA in market is not allowed for EU and US
3: Daily output over 20000pcs.
4:Delivery time 3days for 1-3k. 5 days for 5k-10K
5: It is better to check with your clear custom agent before you import this item in your country. As too many suppliers in China is illegal to export and if no real certifications, it is hard to clear custom.
