Specification

Interface	USB2.0 / USB3.0
Shaft	Mechanical optical axis
keycap	ABS keycap+Transparent cap+PBT number keys
Number of keys	105 keys
Multimedia function keys	Support, use of combination keys
Lights (Optional)	Monochrome lighting
N-Key Rollover	Support
Response rate	1000HZ
Operating voltage	+5 V/DC ±5%
Working current	<100 mA
Key indicator	General itinerary: 4-0.4mm Pre-course: 2±0.6mm Pressure: 60±20 cN

Environmental requirements	Storage temperature : -40℃-60℃ Working temperature : 0℃-50℃ Working humidity :20%-90%
Product Size (L×W×H)	351.5mm*120.7mm*26.9mm
Weight	0.9 Kg
