

Model: SP100A_PSOASERIES	Euro / AU Type	USA Type
Input voltage	~230-240V AC 50Hz	125V AC 50Hz
Output	10A@220V	15A@125V
Number o outlets	5	
Grounded outlet	5	
Socket types	German / French / Austalia	USA
Max Current	10A	15A
Rated Power	2400W	1800W
Lead	1.5mm ² PVC flexible heavy duty - 1.8m	100% copper SJT14AWG 3G - 1.8meter
Plug	Clear, fully moulded Rubber	
Rated residual current	30mA	
IP rating	IP54	
USB output	5V DC x 2 ports (2.4A total)	
Classification	Type A and Class H rating Impact resistant plastic material Intended for indoor use	
Color	Yellow polycarbonate casing and yellow/black lead	
RCBO	Residual Current Breaker with Overload	
Quick start	1.Remove silicone outlet cover 2. Lineup plug with socket 3. 1/4 turn 4. Push straight in upon removing appliance, the socket will snap back into place automatically	
Material	PC, fire-proof	
Certification	AS/NZS 3190/3191 AS/NZS 3012
