

Product Specification	
Model	For iPhone X
Capacity	2716mAh
Battery Type	Li-ion battery
Voltage	Nominal Voltage: 3.8V
	Charge Voltage: Max.4.3V
Charging life cycle	Over 600-800times
Standby time	2-3 years
Warranty	12 months
Cell & IC	Double IC, Full capacity cell, Long standby time
Sticker&Label	OEM/ODM or Neutral sticker as per your requirement
Packing	1 pieces/small box, 2 small boxes/big boxes, 200 big boxes/carton
	OEM/ODM Package
Technology	Low-tension Injection, charging machine measure.
