

Our Main Product Strength

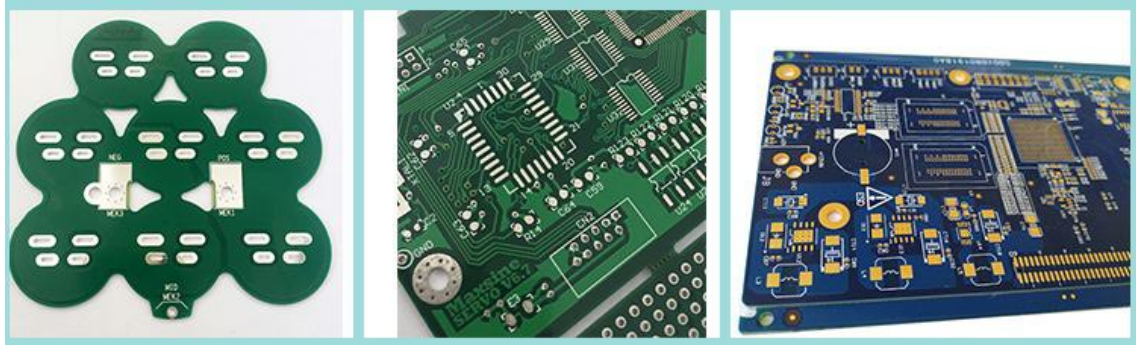

No.1 PCB design and layout service

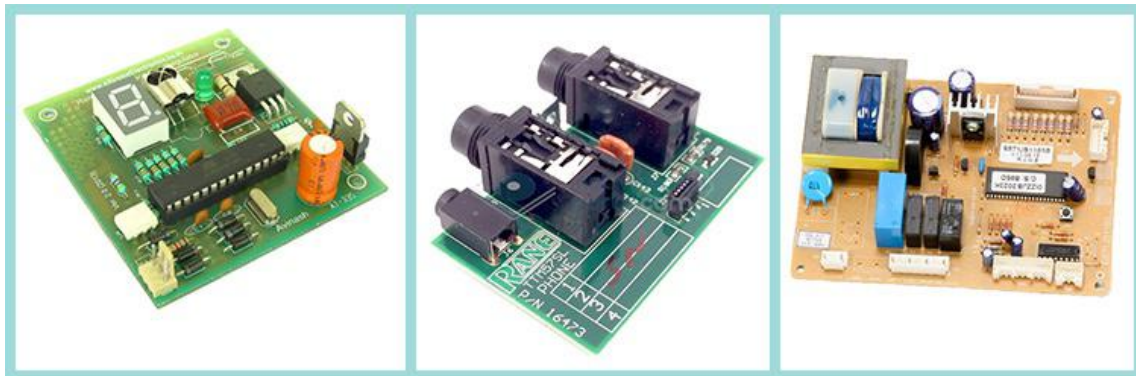

No.2 Double-side PCB

No.3 Multilayer PCB 4 layer to 40 layer

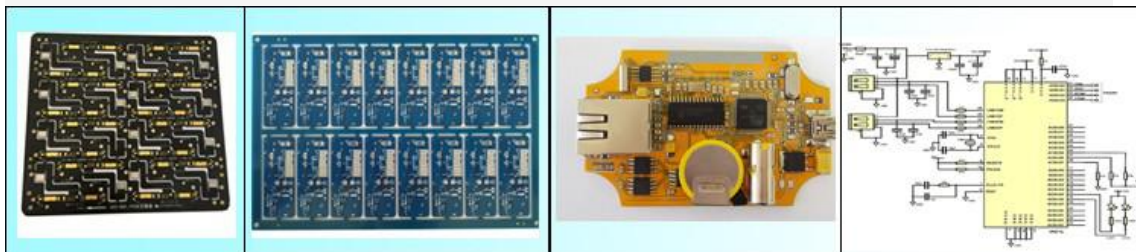

No.4 PCB assembly

Other Products

Our main business are PCB manufacture, PCB Copy and PCB design, such as washing machine pcb board, air conditioner inverter pcb board, E- cigarette pcb circuit board, mobile phone pcb board, power bank pcb so on. Other Products:

Packaging & Shipping

- **PCB order:** Please provide Gerber File and manufacturing specifications.
- **PCBA order:** Please provide Gerber File, Manufacturing specification, BOM list and Pick & Place/XY file.
- Reverse engineering and **PCB copy** service can be supplied with your PCB sample.
- **PCB design** need detail information about the function or supply the drawing.
- Any further question, welcome to contact us by sending inquiries.
