Maximum film clip width

300mm

maximum material width into the machine

200mm

cutting accuracy

0.1mm

repeat accuracy

0.1 mm

Maximum straight cutting speed

250mm/秒 (250mm/S)

Maximum curve cutting speed

200mm/秒 (200mm/S)

cutting pressure

1000g

Data transmission method

WIFI

Input voltage

110V-240v

Machine power

< 100W

Working temperature

+5°C ---- +35°C

Package size

540*230*320mm

Package weight

9kg

Product weight

6.6kg
