

Vial Powder Filling Machine

Applicable specification	5ml-50ml (as per user's requirement)
Production Capacity	6000-30000BPH
Number of filling head	1-4 (according to the output)
Filling Accuracy	$\leq \pm 1\%$ (according to product's characteristics)
Capping qualified rate	$\geq 99.9\%$
Material	304/316L Stainless Steel
Finished Dosage Form	Powder
Voltage	380V
Warranty	1 Year
