

Model: TL-168	Cutting material: TPH/TPU/9H/INK film
Display : 5.5 inch HD 1920*1080 dpi	Cutter controller: intelligenct ARM 32cpu
Cutting width : 205mm	Max material width: 320mm
Machine size: 55cm*18cm*20cm	Compatible model More than 12000+
Input voltage: AC110V/220V +-10% 50Hz/60Hz	Cutting force : 100 to 1000g
Cutting speed: 20s Finish Cutting	Machine material: Aluminium Alloy
Place of origin: Guangdong, China	Packing size: 600*295*310mm
