It distributes weight evenly to prevent kids from hunching over, effectively reducing back fatigue and maintaining healthy posture for long-term school-time use. Multi-compartment Design for Well-organized Storage Reasonable separated pockets store items in categories. Transparent front pouch for teddy bear, divided front slots for stationery, large main compartment for textbooks and laptop, adjustable side pocket holds your water bottle tightly without slipping out. DIY Customizable Design for Girls' Personal Style This kids backpack is equipped with a fluffy teddy-bear doll. Front webbing and mesh pin-display area allow girls to add decorative pins and pom-pom charms, so kids can design their unique backpack as they like. Comfortable & Light-Weight Breathable Structure Wide padded shoulder straps and honeycomb foam back panel reduce pressure on shoulders, breathable material keeps kids' back dry all day. The whole pack is lightweight and won't bring extra burden, outer fabric repels light rain to protect inside books. Sturdy Workmanship & Lovely Appearance Heavy-duty smooth zippers and reinforced stitching at stress points enhance durability. Gentle color-block design looks fashionable and sweet, ideal daily school backpack for elementary girls.	500	SETS	45	65	TT	8	10	Ningbo	WILLY
