We are professional Chinese bearing & auto parts supplier!

Bearing brochure

1. Deep groove ball bearing

Model number: 608 ~6928

Seals type: Open, ZZ and 2RS

Material: Chrome steel, carbon steel and stainless steel

Bearing Precision: P0~P6

2. Angular contact ball bearing

Model number: 3200 series, 3300 series, 7000~7920series

Material: Chrome steel and stainless steel

3. Self-aligning ball bearing

Model number: 1200, 1300, 2200, 2300 series

Material: Bearing steel

Cage material: Steel cage and rubber cage

4. Thrust ball bearing

Model number: 51100~51330,

52202~52216

Material: Bearing steel

5. Linear motion system

Model number: LM, LM...OP, LMF, LME,
LMB series, KH series... ..

Material: Chrome steel and stainless steel

Model number: SC series, SCE series

Material: Chrome steel and stainless steel

We are professional Chinese bearing & auto parts supplier!

Model number: LIN-01R series

LIN-02R series and so on

Material: engineering plastics

Name: Aluminium linear guide

Size: This can make according to
your required

Material: C1018 , C1022

Diameter: 8mm~80mm

Length: 1,010mm~3,010mm

6. Needle roller bearing

Model number: HK series, BK
series, HF series, HFL series

Material: Bearing steel

SHAANXI U'LUCK INDUSTRIES CO., LTD

Tel: 0086-29-86360302 Email: ellen@ulkautoparts.com

www.ulkautoparts.com

We are professional Chinese bearing & auto parts supplier!

Model number: Half needle roller bearing

Material: Bearing steel

Model number: K series, K...TN

Material: Bearing steel, Nylon material

Model number: AXK series

Material: Bearing steel

Model number: NA, RNA, NK, NKI, IR
series

Material: Bearing steel

Model number: CYR, CF series

Material: Bearing steel

7. Spherical roller bearings

Model number: 22206~22240CA/W33

Material: Bearing steel

8. Cylindrical roller bearings

Model number: N, NU, NJ, NUTR,

NATR, KR, KRV, RNA Series

Material: Bearing steel

9. Tapered roller bearing

Model number: 30202~32230 series

15113/15425~78215C/78551 series

Material: Bearing steel

10. One way clutch bearing

Model number: DC ...(3C) series

FE series

Material: Bearing steel

We are professional Chinese bearing & auto parts supplier!

Model number: B, BB Series, MZ series,

CSK series, GFK series

Material: Bearing steel

11. Spherical plain bearings and rod end

Model number: PHS series and POS series

Material: Bearing steel and stainless steel

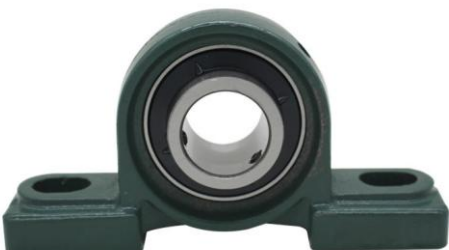

Model number: GE...ES series and

GE...2RS series

Material: Bearing steel and stainless steel

12. Pillow block & insert bearing

Model number: UCP series, UCPE series,

UCAK series, HCP series, HCPE series.....

Material: GCR15 steel , Carbon Steel and Chrome Steel.

We are professional Chinese bearing & auto parts supplier!

Model number: KP series, KFL series, UFL series, UP series.....

Material: zinc alloy

Model number: UCP series, UCPE series, UCAK series, HCP series, HCPE series.....

Material: Plastic and stainless steel

Model number: UC,SA,CSA, HC,SB,CSB,UKseries.....

Material: Bearing steel and stainless steel

13. Automotive bearings

Name: Water pump bearing

Model number: 664101, 665118, 665707.....

Material: Bearing steel

Name: WheelHub unit and wheel hub bearing

Model number: 512025, 513030, 512023.....

Material: Bearing steel
