

Specification parameters

Parameter categories	detailed information
model	C010
voltage	5V
power	1.0-1.5W
coverage area	6m ³
The capacity of essential oils	4ml
material quality	PP environmental protection material
pigment; dyestuff	White, black
control method	Key control
Nucleation principle	Ultrasonic atomization

net weight	0.35 kg
Power type	lithium cell
size	94X26X31mm
