

Product Name	Spangle-Free Galvanized Steel Coils		
Standard	ISO3575/GB/T2518-2019/ASTM A653/A653MJS G3302/Customer requirements		
Grade	DX51D+Z,S280GD+Z,S350GD+Z,DX53D+Z,CSB, S350GD, S320GD+Z,SGCC		
Thickness	0.11mm-2.0mm	Width	900mm-1250mm can be customized
Coil ID	508mm/610mm	Zinc layer	20g/m ² -200g/m ²
Tolerance	Thickness:+/-0.03mm		
	Width:+/-5mm		
	Total quantity: +/-10%		
Tensile Strength	>300MPa	Yield Strength	270-380MPa
Quality test	SGS testing , test zinc coating thickness/ T testing and others by every coil		
Inspection	SGS, TUV, BV, ABS, LR etc.	Certificate	ISO 9001:2008, SGS
Application	container plate, ship plate,refrigerators, kiosks, billboards, etc.		
Packing	Standard export package .Plastic film in the first layer, second layer is Kraft paper. Third layer is galvanized sheet.		
Payment Terms	FOB 30%T/T,70% before shipment CIF 30% front money and 70% before shipment (the balance against B/L (copy)) Irrevocable 100% L/C at sight
