

Hardware Configuration	Specification
CPU	Intel Core i7-10870H@ 4.70GHz/i9-10885H Clockspeed: 3.5GHz, Turbo Speed: 4.7 GHz. Cores: 14, Threads: 20, 24MB Cache
GPU	Intel UHD630 + NVIDIA Geforce GTX1650 4GB seperated Graphic card
LCD	16.1 inch 1920*1080 16:9 eDP FHD
Memory	DDR4-32GB (2666MHz)*2
Hard Disk	M.2 2280 SSD 1TBDual SSD port/ PCIE*4 and SATA3.0
Network	802.11b/g/n&ac
Bluetooth	4.2
Keyboard	100 Keys Chocolate Anaglyph Keyboard (with small numeric keypad) RGB backlight
I / O Port	USB3.0x1; USB2.0x2; Headset Microphone 2 in 1 x1; HDMIx1 support 4K; TYPE-Cx1; DC-INx1
RJ45	Support RJ45 (100M/1000M)
Shell Material	A /C/D Case Full Metal
Camera	Front-facing camera 2.0MP
Speaker	Dual speaker with stereo surrounding effect
Touch pad	Ergonomic touch pad provide comfortable gaming experience
Finger Print	support
Battery	4800mAh(Battery life 4~6 hrs)
Cooling Fan	Dual cooling fan
Battery Life Instructions	Battery life may be affected by the following factors: Number of battery charges and discharges, operating system, LCD display brightness Settings, APP(Especially for video, games, etc),Power management Settings.The battery life of a typical laptop is limited,Battery performance and battery life decrease with increasing use,this normal battery loss is normal.
Power Adapter	150W / 19V 7.89A
Size	375*240*24MM
Weight	3 kg
OS	Support Win8.1/Win10/Win11
Application Occasion	Major Selling Points: 16.1 inch Narrow Bezel Full Screen, HD 178°wide view, Large trackpad for easy control, full size keyboard, multiple hard disk combination for opotion.Office,Watch HD video,Medium-sized game such as LOL/DNF/CF, etc.
Color	Black
