

HandHeld Printer

AB-321M

HIGHLIGHTS

- Easy Paper Loading.
- LCD shows printer status.
- Faster printing speed up to 60mm/sec.
- Long time Lithium-ion battery
- Mobile printer can work under many mobile devices.
- Small size, light weight, stable performance and easy to use.
- Mobile printer can work outdoor.
- Wide usage: Outdoor fine, logistic system, wild quest record.

OTHER VALUE-ADDED FEATURES

- Wireless printing.
- Multiple languages support.
- Error beeper.

PRODUCT FEATURES

Unique LCD display

It can show the state of paper roll, Bluetooth, battery and setting, easier to know the working mode.

Unique LCD display

Wireless Printing

It realizes remote printing by Bluetooth or WI-FI. available for various operating system.

Magnetic Card Reader

Just slide cards by 1/2/3 tracks magnetic strip card reader, the data will be sent to the connected device.

Magnetic Strip Reader(MSR)

SPECIFICATIONS

AB-321M

Printing	Direct thermal line printing
Paper Supply Method	Easy Paper Loading
Characters Per Line	Font A:32CPL,Font B:42CPL
Character Size	Font A:12x24,Font B:9x17
Resolution	203dpi(8dots/mm)
Print Width	48mm
Printing Speed	60mm/sec(MAX)
Cutter Type	Manual tearing
Paper	Paper Type: Thermal Paper
	Roll Paper: Paper Diameter:40mm(MAX)
	Paper Width:58mm
Receive Buffer Size	4KB
Interface	Serial, USB, Bluetooth
Bar codes	1D:CODE 39,CODE93,CODE128,EAN-8,EAN-13
Battery	Type: Lithium-Ion
	Output:DC7.4V/Capacity:1100mAh/1300mAh(optional)
Power Adaptor	InputAC110~240V 1.0A
	Output DC9V 1A
Operating Temperature	0° C~50° C
Storage Temperature	-10° C~60° C
MCBF	Electric Life:100,000,000 pulses
	Wear Life: Paper feed length Approximately 50 Km
	Battery:500 Cycles Rechargeable
MSR	Auto 1/2/3 Track(Optional)
Dimensions (WxDxH)	78 x125 x 38 mm(No MSR)
	78 x132 x 38 mm(With MSR)
Weight	250g
