Item series code	#FPR		
Material 1	Polyester fiber fleece		
Material 2	Particle Rubber		
Normal Shape	Rectangular/semi-circular/irregular		
Normal Thickness	7mm-10mm		
Normal Size	40x60cm 45x75cm 60x90cm		
Normal Weight	5500gsm		
Color	Any color		
Features	<ol style="list-style-type: none"> 1. Durability 2. Weather Resistance 3. Slip Resistance 4. Easy Cleaning 5. Versatility 6. Water Absorption 7. Noise Reduction 8. Safety 9. Environmentally Friendly 		
Functions	<ol style="list-style-type: none"> 1. Safety 2. Prevention of Dirt and Moisture Tracking 3. Floor Protection 4. Variety of Styles and Sizes 		
Application	Entryways and Doorways		
Production Information		Photos	
Production Process	<ol style="list-style-type: none"> 1. Vulcanized Molding 2. Electrostatic Flocking 3. Printing 4. Packaging 		
Printing	thermal transfer		
Packaging	Flat packed or rolled		
Packaging Material	Plastic bag/carton/woven bag		
Label	U-card/tag/colored sticker		
Order Information			
H.S. Code	401691000	MOQ	500pcs/pattern/size
custom pattern designs	A mold fee will be applied. However, this fee can be refunded for orders of 10,000 or more pieces. Please contact customer service for further details.
