

Handheld Inkjet Coding Printers

Perfect Solution for Labeling and Marking

ZG127A

Print Height
12.7 mm

UPDATED TOUCH SCREEN
600DPI high resolution / variable data

28 Languages

CHARGING WITH Type-C
Convenient, fast, and easy to operate

Product Model	127A
Printing Technology	Thermal Inkjet(TIJ)
Ink Throw Distance	Within 3mm,2-5mm(Distance between nozzle plate and print object)
Print Height	2-12.7mm
Optional Ink Cartridges	Solvent Based Quick-drying ink (42ml):red, yellow, blue, green, black, white
Operation System	RTOS
System Language	26 languages: Chinese (Simplified) / Chinese (Traditional) / English / Japanese / Korean / French / Italian, etc
Display	4.3" High Definition color screen,Resistive touch screen
Print Applications	Text, Numbers,Images, Logos,2D codes, Barcodes,Dates,Counter, etc.
Printabel Material	Paper/corrugated box/wood/fiberboard/cotton/plastic/ glass/transformer/aluminum foil/cable, etc
2D code Type	QRCODE/PDF417/DATAMATRT/DTMX-GS1
Barcode Type	UPCA/UPCE/EAN13/EAN8/INT25/CODE39/CODE128/EAN128/ITF14
Font Type	International fonts: Arial/Droid/Montserrat/Open Sans/TimesNewRoma
Resolution	300DPI / 400DPI / 600DPI Adjustable
Print Speed	Speed adjustable based on the horizontal resolution
Grey level	1~10
Max. Pixel Size	150 * 1300
External Ports	USB, Charging port, optical interface,Encoder
Standby Time	6 — 8 hour
Power Adapter	Input:AC100-240V Output: DC16.8V 1A
Working Environment	Working Temperature: 0°C 45°C (Best: 15°C -35° C) Humidity:40%-60%
Memory Size	4G
Net Weight	0.68KG
Packaging Weight	1.2KG
Product Dimension	11*4.2*21CM
Packaging Dimension	26 * 17 * 11CM
