Earphone cases		Durable hard EVA shell protects your neckband headphones from drops and scratches. Features mesh inner pocket for storing charging cables and adapters, built-in elastic strap secures the earbuds in place. Compact design with carabiner clip for easy carrying, fits most neckband style headphones.	neckband headphone case, hard EVA earbud pouch, shockproof Bluetooth earbuds storage bag, portable travel carrying case, neckband earphone organizer	Hard EVA Neckband Headphone Case, Shockproof Protective Carrying Pouch with Mesh Pocket, Portable Travel Storage Bag	WLLXR-0609-8	Hard Shell Protection for Neckband Headphones Made of durable shockproof EVA material, this hard case protects your neckband earbuds from drops, scratches, dust and water splashes. The soft inner lining prevents the earphones from being damaged by friction. Dual-Layer Storage with Mesh Pocket Features a spacious main compartment for your neckband headphones and a built-in mesh pocket for storing charging cables, adapters and other small accessories. The elastic strap inside keeps the earbuds secure and prevents tangling. Portable & Easy to Carry Compact and lightweight design fits easily in your pocket, backpack or purse. Comes with a sturdy metal carabiner clip, allowing you to attach it to your bag, belt or keys for hands-free carrying during travel, gym or outdoor activities. Universal Fit for Most Neckband Earbuds The oval-shaped case is compatible with most neckband style Bluetooth headphones. The double zipper design allows for easy opening and closing, keeping your earphones safe and accessible at all times. Durable & Long-Lasting Build Features smooth dual zippers and reinforced stitching for reliable use. The textured exterior is scratch-resistant and easy to clean, making this protective pouch a practical and stylish accessory for everyday use. Note: Only the neckband headphone case is sold. All earphones, cables and other accessories shown are for display purposes only.	500	PIECES	45	65	TT	2	3	Ningbo	WILLY
