Magic colorful Stage spot light/LED dance lighting/Disco Projection light/outdoor decoration light spec and price list

	产品图片 PICTURE	包装图片Packing pictures	model No.	产品尺寸 DIMENSION	产品备注 DESCRIPTION OF PRODUCTS	QTY /CTN	Unit price in USD	外箱尺寸 SIZE OF CARTON			体积/箱 COB/PC	毛重/箱 GW/CT
1			A58-212 12W olorful spot lighting 帕灯	135*135*125	Material: PP + PC Applicable voltage: 85-265V Power: 12W Number of lamp beads: 12 Light board: aluminum substrate lamp bead model: high-power lamp bead Weight: 300 grams, lamp head: power plug color temperature: RGBW / purple light / full color features: RGBW, DMX interface, control console, manual dimming Note: bracket, screw, manual, power cable optional Europe, American, Britain, Australia, another optional remote control, the price need offer again	50PCS	\$4.50	67	27	54	0.098	15KG
2			A27-218 18W olorful spot lighting 帕灯	178*175*100	Material: PP + PC + iron bracket Applicable voltage: 85-265V Power: 18W Number of lamp beads: 18 Light board: aluminum substrate lamp bead Model: patch lamp bead Weight: 680 grams, lamp head: power plug color temperature: colorful / purple light / full color features: RGBW, DMX interface, can be connected to the console, manual dimming Note: bracket, screw, manual, power cable optional Europe, American, Britain, Australia plug, in addition to optional remote control, the price is calculated separately	20PCS	\$5.50	77.5	54	20.5	0.086	13.6KG
3			A28-236 36W olorful spot lighting 帕灯	178*175*100	Material: PP + PC + iron bracket Applicable voltage: 85-265V Power: 36W Number of lamp beads: 36 beads Light board: aluminum substrate lamp bead Model: patch lamp bead Weight: 680 grams, lamp head: power plug color temperature: colorful / purple light / full color features: RGBW, DMX interface, can be connected to the console, manual dimming Note: bracket, screw, manual, power cable optional Europe, American, Britain, Australia plug, in addition to optional remote control, the price is calculated separately	20PCS	\$6.20	77.5	54	20.5	0.086	13.6KG

4		A29-254-IM 54W olorful spot lighting 帕灯	230*79*226	Material: PP + PC + iron bracket Applicable voltage: 85-265V Power: 54W Number of lamp beads: 54 beads Light board: aluminum substrate lamp bead Model: patch lamp bead Weight: 950 grams, lamp head: power plug color temperature: colorful / full color features: RGBW, DMX interface, control console, manual dimming Note: bracket, screw, instructions, power cord optional Europe, American, UK, Australia, the price is calculated separately	20PCS	\$8.30	47.5	41.5	47	0.093	19KG
4-B		A291-254 54W-AL colorful spot lighting 铝材帕灯	249*249*350	Material: Aluminum applicable voltage: 85-265V Power: 54W Number of lamp beads: 54 beads * 3W Light board: aluminum substrate lamp bead model: high power full lantern bead Weight: 2500 g lamp head: power cable color temperature: colorful / full color features: RGBW, DMX interface, control console, manual dimming Note: bracket, screw, manual, power cable optional Europe, American, Britain, Australia, the price is calculated separately	4PCS	\$22.20	46	46	32	0.068	12.5KG
5		A60-260 60W olorful spot lighting帕灯	280*95*250	Material: PP + PC + iron bracket Applicable voltage: 85- 265V Power: 54W Number of lamp beads: 54 beads Light board: aluminum substrate lamp bead Model: patch lamp bead Weight: 950 grams, lamp head: power plug color temperature: colorful / full color features: RGBW, DMX interface, control console, manual dimming Note: bracket, screw, instructions, power cord optional Europe, American, UK, Australia, the price is calculated separately	4PCS	\$12.10	47.5	41.5	47	0.093	19KG
6		A23-241 star decoration lighting 4W 圣诞灯老款	110*120	Material: PP + PC Applicable voltage: 85-265V Power: 4W Number of lamp beads: 4 lamp beads Light board: aluminum substrate lamp bead model: high- power lamp bead Weight: 230 g lamp head: plug line Features: rotation, with motor, 16 Christmas patterns Note: power cord optional European, American, British, Australian plug, price calculation separately	50PCS	\$3.30	55.5	42	35.8	0.083	11.5KG
7		A23-24 star decoration lighting 4W 圣诞灯新款	110*120	Material: PP + PC Applicable voltage: 85-265V Power: 4W Number of lamp beads: 4 lamp beads Light board: aluminum substrate lamp bead model: high- power lamp bead Weight: 230 g lamp head: plug line features: rotation, with motor, 16 kinds of Christmas patterns, with chassis, note: power cord optional Europe, America, Britain, Australia, the price is calculated separately	50PCS	\$3.00	55.5	42	35.8	0.083	11.5KG

8		A24-24 star lighting 4W星空灯	110*120	Material: PP + PC Applicable voltage: 85-265V Power: 4W Number of lamp beads: 4 lamp beads Light board: aluminum substrate lamp bead model: high-power lamp bead Weight: 230 g lamp head: plug line features: rotation, with motor, star / snow pattern, with chassis, note: power cord optional Europe, American, UK, Australia plug, the price is calculated separately	50PCS	\$3.00	55.5	42	35.8	0.083	11.5KG
9		A25-24 4W water wave lighting 水纹灯	110*120	Material: PP + PC Applicable voltage: 85-265V Power: 4W Number of lamp beads: 4 Light board: aluminum substrate lamp bead model: high-power lamp bead Weight: 230 g lamp head: plug line Features: rotation, with motor, water grain pattern, with chassis Note: power cord optional Europe, America, Britain, Australia plug, the price is calculated separately	50PCS	\$3.00	55.5	42	35.8	0.083	11.5KG
10		A44-23 Magic colorful atmosphere light/Variable colorful and rotating atmosphere lamp带线魔 球	100*150	Material: PP Applicable voltage: 85-265V Power: 3W Number of lamp beads: 3 Light board: aluminum substrate lamp bead model: high-power lamp bead Weight: 260 g lamp head: plug line Features: rotation, with motor Note: power cable optional European, American, British, Australian plug, the price is calculated separately	50PCS	\$2.90	54	54	33.5	0.098	12kg
11		A56-53 Magic colorful atmosphere light/Variable colorful and rotating atmosphere lamp 低压支架魔球	90*110	Material: PP + PC Applicable voltage: DC5V Power: 3W Number of lamp beads: 3 Light board: aluminum substrate lamp bead model: high-power lamp bead Weight: 130 g lamp head: characteristics of charging cable; with suction cup support, rotating motor, voice control, Note: Do not support minus 1.5 yuan Standard: light * 1, manual * 1, remote control * 1,1 charging cable, support * 1pcs, screw * 2 pcs	100PCS	\$2.25	56.5	51.5	46	0.134	13.00
12		A56-53 Magic colorful atmosphere light 支架魔球	90*110	Material: PP + PC Applicable voltage: DC5V Power: 3W Number of lamp beads: 3 Light board: aluminum substrate lamp bead model: high-power lamp bead Weight: 130 g lamp head: characteristics of charging cable; with suction cup support, rotating motor, voice control, Note: Do not support minus 1.5 yuan Standard: light * 1, manual * 1, remote control * 1,1 charging cable, support * 1, screw * 2 *	100PCS	\$2.60	56.5	51.5	46	0.134	13.00

12	 	<p>A561-53 USB Magic colorful atmosphere light/Variable colorful and rotating atmosphere lamp 支架魔球</p>	90*110	<p>Material: PP + PC Applicable voltage: DC 5V Power: 3W Number of lamp beads: 3 Light board: aluminum substrate lamp bead model: high-power lamp bead Weight: 80 g, lamp head: charging line characteristics; low voltage USB line, self-flash, with sound control Note: with motor + 1.8 yuan, with remote control + 1 yuan, with suction cup bracket + 1.7 yuan, standard: light * 1 yuan, bracket * 1 yuan, screw * 2 yuan</p>	100PCS	\$1.50	56.5	51.5	46	0.134	8.00
13		<p>A55-58 激光灯 (Laser spot light)</p>	95*74*58	<p>Material: Aluminum Applicable voltage: 5V Power: 8W Number of lamp beads: 4 heads Light board: aluminum substrate lamp bead Model: laser head Weight: 350 g lamp head: charging cable Note: Standard: lamp * 1, manual * 1, remote control * 1, charging cable * 1, bracket * 1, screw * 2</p>	50PCS	\$16.50	40.5	33.5	38.5	0.052	17.5kg
14	 	<p>A57-56 支架蓝牙魔球</p>	6*126	<p>Material: PP + PC Applicable voltage: 5V Power: 6W Number of lamp beads: 6 out Light board: aluminum substrate lamp bead model: high-power lamp bead Weight: 300 g, lamp head: USB cable Note: Standard: 1 lamp *, 1 manual *, 1 remote control *, 1 charging cable *, 1 bracket *, and 2 screws *</p>	50PCS	\$4.50	80	30	57	0.137	15kg
15		<p>A64-52 mini-laser spot lights 迷你激光灯</p>	135*115	<p>Material: aluminum alloy power supply: 110-265V, 50-60Hz Power: 5W Mode: voice control, self-walking, strobe Light source: green laser 532nm / 50 mW, red laser 650nm / 100 mW Applicable: indoor weight: 350 grams Features: traffic light two colors, voice-controlled, self-walking, strobe mode, adjustable pattern rotation speed, Pattern: conventional is the sky star pattern, another Christmas pattern, 4 in 1, 6 in 1, 12 in 1, 20 in 1 and other patterns can be selected from</p>	30PCS	\$4.90	36	28	45	0.045	10.5KG

16		<p>A77-24 outdoor projection lighting for Christmas holiday 户外圣诞投影 灯</p>	95*110	<p>Material: ABS environmental protection material power supply: 110-265V, 50-60Hz Power: 4.2W Mode: go by Light source: LED 1W * 4, red, green, blue and white each 1 or 4 white light Applicable: indoor and outdoor weight: 350 grams protection level: IP65, mode, light light Features: can be customized simple pattern, can be changed pattern, such as snow, Christmas, Halloween, etc Power: 4.2W Mode: go by Light source: LED 1W * 4, red, green, blue and white each 1 or 4 white light Applicable: indoor and outdoor weight: 350 grams protection level: IP65, mode, light light Features: can be customized simple pattern, can be changed pattern, such as snow, Christmas, Halloween, etc</p>	30PCS	\$5.60	58.8	36.5	40	0.086	17KG
16		<p>A78-26 /outdoor laser projection lights\ 户外激光 灯</p>	95*110	<p>Material: ABS environmental protection material power supply: 110-265V, 50-60Hz Power: 6W Mode:automatic movement Light source: green laser 532nm / 50 mW, red laser 650nm / 100 mW Applicable: indoor and outdoor weight: 350 grams protection level: IP65 mode: conventional is the sky star pattern, another Christmas pattern, 4,6,12,20 and other patterns can be selected Features: Light color red and green double color, you can choose with a remote control, can be inserted in the grass or fixed on the wall Mode: go by Light source: LED 1W * 4, red, green, blue and white each 1 or 4 white light Applicable: indoor and outdoor weight: 350 grams protection level: IP65, mode, light light Features: can be customized simple pattern, can be changed pattern, such as snow, Christmas, Halloween, etc</p>	30PCS	\$7.80	58.8	36.5	40	0.086	17KG
17		<p>A79-25 E27 Christmas decoration lights 圣诞灯</p>	70*140	<p>Material: ABS environmental protection material applicable voltage: 85-265V Power: 5W Number of lamp beads: 4 lamp beads Light board: aluminum substrate lamp bead model: high- power lamp bead Weight: 330 g Light Head: E27 / B22 Features: rotation, with motor, Christmas pattern, Note: with three film tablets, more than 500 sets can be customized LOGO and bar code Mode: go by Light source: LED 1W * 4, red, green, blue and white each 1 or 4 white light Applicable: indoor and outdoor weight: 350 grams protection level: IP65, mode, light light Features: can be customized simple pattern, can be changed pattern, such as snow, Christmas, Halloween, etc</p>	50PCS	\$3.10	58.8	36.5	40	0.086	16.5KG
