

Shenzhen Kelixun Electronics Co., Ltd. was founded in 2019. The company's wholly-owned brand: KBS is located in Shenzhen, the capital of China's science and technology innovation. Our company has more than 10 years of experience in the mobile phone internal accessories industry. The company integrates mobile phone screens (LCD/OLED ), a high-tech enterprise integrating battery R&D, design, production and sales. Currently, the company has more than 100 employees on staff. Trekking on the journey of dream-building led by innovation, we will move our footprints from China to the world; we will unite knowledge and action, be consistent in words and deeds, and jointly build a bright dream of science and technology. This is us. The KBS brand is committed to becoming a global high-quality mobile phone screen service provider, using infinite wisdom to connect to the broad future.

Launched a global strategic layout and officially established an overseas business department. Currently, We have established in-depth cooperative distributors in Southeast Asia, the Middle East, Europe, America, South America and other regions.
