Post code: 201100

### Technical Parameters:

|                        |                     |
|------------------------|---------------------|
| TYPE                   | SG-50X              |
| INPUT VOLTAGE          | 2PH380V             |
| FREQUENCY              | 50/60Hz             |
| RATED POWER            | 5KVA                |
| FLOATING VOLTAGE       | 11.5V               |
| WELDING CURRENT        | 8500A               |
| DUTY CYCLE             | 15%                 |
| CURRENT CHANGE         | Stepless Adjustment |
| AUTOMATIC WORKING TIME | 0.1--2.5S           |
| PACKING                | 65x49x98cm          |
| WEIGHT                 | 52KG                |

### Accessories included:

|                        |       |
|------------------------|-------|
| MULTIFUNCTION PULLER   | 1PC   |
| MULTI-CLAW PULLER      | 1PC   |
| EARTH CLAMP            | 1PC   |
| TRIANGLE WASHER PULLER | 1PC   |
| CARBON ROD             | 2PCS  |
| CASTOR                 | 4PCS  |
| WAVEFORM SOLDER WIRE   | 5PCS  |
| WASHER WELDING HEAD    | 1PC   |
| 1-SIDE WELDING HEAD    | 1PC   |
| ROUND WASHER           | 10PCS |
| TRIANGLE WASHER        | 5PCS  |

|                 |     |
|-----------------|-----|
| CARBON ROD HEAD | 1PC |
| HOST            | 1PC |
| INSTRUCTIONS    | 1PC |
| WARRANTY CARD   | 1PC |
