Smart Cat Litter Box:

Product model: MSP-01

N.W.: 7.8KG

G.W.: 10KG

Product size: D530* W480* H510 mm

Package size: D580* W517* H543 mm

Electrical Specifications: DC12V, 1.5A

- Large-capacity compact body: 65L large bucket, suitable for 1-8kg cats.
- Safety structure without clamp cat: No mechanical shearing action, no crush injury the cat in any case.
- Ultra-low entrance: The entrance height is as low as 140mm for easy entry and exit.
- Removable cat litter baffle: Prevent spilling cat litter when big cats enter or leave.
- Cat detection system: Multiple groups of weight sensors, active infrared sensors, etc.
- Remote Interaction: TUYA APP remote interaction. The weight of cats, the excretion time of cats, the number of times the cat excretes and other parameters can be mastered at any time.
- Long lasting time: 4.5kg mineral litter, 9L dynamic poop bin, a 4kg cat 15 days no need to change bag.
- One-button removal and washing the bucket bin.
- Ions odor purification: Negative pressure ion odor purification, automatic closure poop bin.
- Container load: 40HQ can load 460 units. The Smart Litter Box with the highest volume rate around the world, which with the lowest operating costs. Freight can be effectively controlled in all aspects of logistics, and the specific freight needs to refer to the regional cost standards into the calculation.

Smart Cat Litter Box:

Product model: MSP-02

N.W.: 7.2KG

G.W.: 9.4KG

Product size: D530* W480* H505 mm

Package size: D548* W523* H538 mm

Electrical Specifications: DC12V, 1.5A

Compact design not take up space

Suitable cat litter

40HQ
can load 426 units

20GP
can load 176 units

Separate function buttons, more intuitive and easier to operate

Weight sensor
Stop rotation if cat enters

Infrared sensor
Stop rotation if cat near

Smart Cat Litter Box:

Product model: MSP-03

N.W.: 7.4KG

G.W.: 9.6KG

Product size: D520* W480* H505 mm

Package size: D548* W523* H538 mm

Electrical Specifications: DC12V, 1.5A

Smart Cat Litter Box:

Product model: MSP-04

N.W.: 7.4KG

G.W.: 9.6KG

Product size: D536* W480* H505 mm

Package size: D570* W520* H543 mm

Electrical Specifications: DC12V, 1.5A

Integrated Bucket & Poop bin:

- 1) Safety structure without clamp cats
- 2) 65L bucket & 0.13m³, small footprint
- 3) Dynamic poop collection, real capacity

Dynamic poop collection

Static poop collection

Smart Cat Litter Box:

Product model: MSP-05

N.W.: 7.4KG

G.W.: 9.2KG

Product size: D526* W480* H505mm

Package size: D540* W510* H536mm

Electrical Specifications: DC12V, 1.5A

Removable barrel, easy to clean, 1 cat last up to 15 days change bag free

Smart Cat Litter Box:

Product model: MSP-06

N.W.: 7.5KG

G.W.: 9.6KG

Product size: D533* W480* H505 mm

Package size: D570* W520* H543 mm

Electrical Specifications: DC12V, 1.5A

FULL
 "TUYA" APP connection
 Induction clean
 Immediate clean
 Odor purification
 One click empty litter

Functions can also be remotely operated via APP, APP displays cat's weight, toileting data, and can also set cleaning time/no-disturb etc. in the APP

Safety Structure	Integrated Sensor Wheel (No Wheel Contact)
Waste Bin Mode	Dynamic Filter Collection
Compatible With Multi Cat Litter	✓
Double odor removal	Highly porous odor particles (Activated carbon)
Anti Sticking Bottom Design	Double cat litter bottom tray
Intelligent Sensing Module	Active infrared sensor & one of Gravity Modules
Intelligent Accident Protection	✓
Anti Dumping Protection	✓
12v Safety Voltage	✓
Multi Mode Operation A Auto-Cleaning B Timing Cleaning C One Key Cleaning D Sleep Mode	A+B+C+D
One Key Litter Changing	✓
Convenient Disassembly And Washing	✓

Smart Cat Litter Box:

Product model: MSP-07

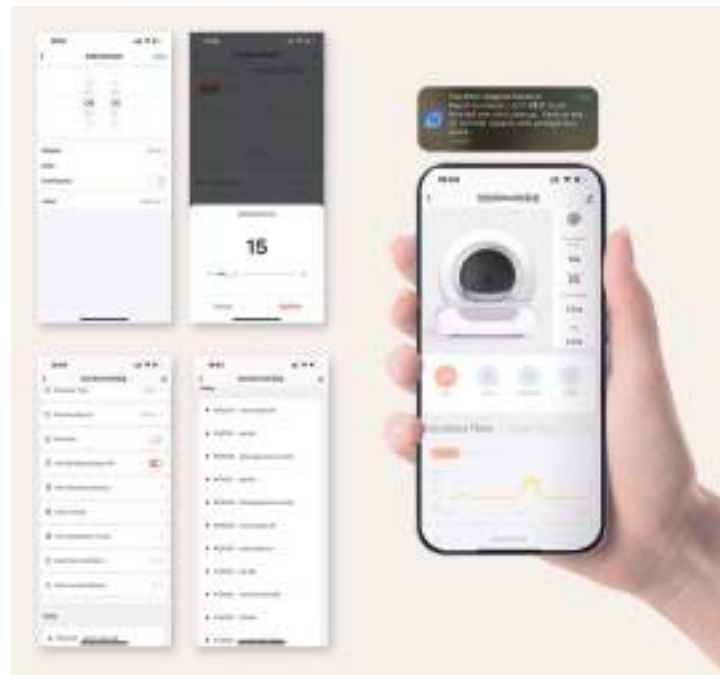

N.W.: 8.1KG

G.W.: 9.7KG

Product size: D538* W480* H510 mm

Package size: D544* W497* H524 mm

Electrical Specifications: DC12V, 1.5A

FAQ:

- Q: Suitable cat's weight?
- A: 1-8kg cat.

- Q: Garbage bag change frequency?
- A: It depends on cat weight and number. A single bag lasts up to 15 days. Regular size bags can be used.

- Q: Supported Operating Modes?
- A: Auto / Manual / App Remote / Schedule

Why Choose Us?:

- ✓ Safe all-in-one design integrates the barrel and waste bin. Eliminate the risk of cat trapping. Compact design smaller footprint.
- ✓ Comprehensive patents and certifications with full supply chain after-sales support...

Dual-Bowl Pet Water Fountain

Product model: YSJ-01

N.W.: 0.7KG G.W.: 0.95KG

Product size: D188* W370* H132mm

Package size: D194* W387* H106 mm

Electrical Specifications: DC5V, <3W

- 4L large capacity – Ideal for multi-pet homes
- Easy to clean with convenient top-fill design
- Water supply persists during blackouts, travel worry-free
- Two-in-one design with dual water trays – prevent pet conflicts
- Adjustable single or dual water flow, multiple water flow modes

Smart Dual-Bowl Pet Water Fountain

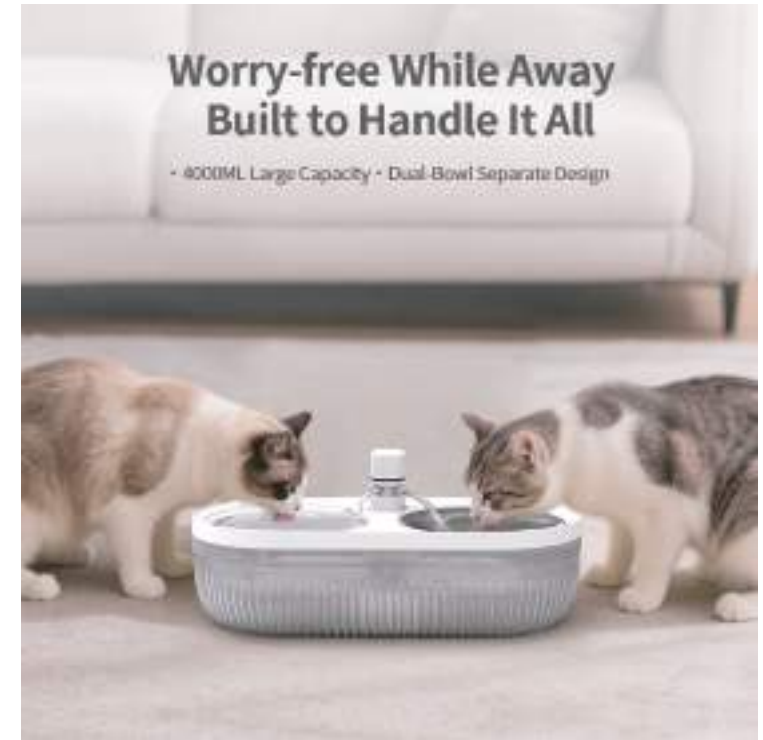

Product model: YSJ-01W

N.W.: 0.7KG G.W.: 0.95KG

Product size: D188* W370* H152mm

Package size: D194* W387* H106 mm

Electrical Specifications: DC5V, <3W

- 4L large capacity – Ideal for multi-pet homes
- Easy to clean with convenient top-fill design
- Water supply persists during blackouts, travel worry-free
- Two-in-one design with dual water trays – prevent pet conflicts
- Adjustable single or dual water flow, multiple water flow modes
- Smart TUYA APP Control: Water Flow Sensor when cat approaches; Scheduled Water Flow; Continuous Water Flow

Foshan Leilong Electrical Appliance Co., Ltd.(RYLON)

is a product design and development enterprise dedicated to source innovation, and provides technical and service support for the entire industry chain. Focusing on the development, production and sales of pet smart products.

Our Philosophy:

Take products as our core competitiveness. "The rules last forever, skillful workmanship is sacred, and Taoism and utensils are consistent by examining things to explain governance".

Warm welcome to visit our factory!

Factory located in Foshan Guangdong, near Guangzhou.
