

Batter Power IP Camera

CK05

Key Feature:

- 2.0MP FHD video recording
- Low power consumption and Long standby time
- Plastic ABS+PC case in small design
- Remotely view on the phone or table screen
- High-quality two way voice communication
- Built-in high capacity battery
- Smart PIR Motion detect and alarm
- Infrared LED for night vision
- Support MicroSD card up to 128GB
- 2.4G Wifi Connection
- Support AP mode connection

Specification:

Image Sensor: 2.0MP CMOS image sensor

Lens: 3.56mm @ F2.4

Field of view: 138°

Resolution: Full HD 1920*1080P

Video Compression: H.264 video compression engine

Frame Rate: 25~30fps

Audio Compression: AAC

Audio Input: Built-in eco reduction microphone

Audio Output: Built-in 8Ω 1W Speaker

Motion detection: use smart PIR sensor

Wireless Lan: IEEE802.11b/g/n

Video Storage: MicroSD card slot supporting upto 128G. (MicroSD card not included)

Power Supply: DC5V Micro-USB and Built-in 3.8V 4000mAH battery

APP: android and iOS

Case: Plastic ABS+PC housing

Power Consumption: 1.3W

Operation condition: Temperature: -10~+50℃, humidity < 95% (non-condensing)

Size: 77mm x 66mm x 48mm, Weight: 160g
