

Solar Controller ST7 Series: 10A 20A

Model	ST7-10	ST7-20
Rated voltage	12V/24V Automatic voltage recognition	
Max charge current	10A	20A
Max discharge current	10A	20A
Full charge cut	16.5V/33V	
Low voltage cut	11V/22V	
Low voltage restore	12.6V/25.2V	
Temperature compensation	-3mv/°C/cell	
Static current	≤45mA	
Voltage drop	<200mv	
Wire area max	4mm ²	
Net Weight	288g	
Gross Weight	295g	
Size	192*106*40mm	
Packing quantity	40pcs/carton	
Carton size	L535*W385*H175 mm	

ST Series Advantages:

1. With quick charge technology, coping the heavy demand of power.
2. Protections: over charge, over discharge, over load, low voltage, short circuit, rev
