

M-105

Classic 2.1 multimedia system in a mini size

Introduction

Mini classic 2.1 speaker with vintage design draws you back to the old times, which becomes more and more popular in modern life. Wooden cabinets effectively produce original and dynamic sound. It allows you to enjoy full range music playbacks and blockbuster movies at home.

Built with bass reflex tunnel on frontal panel, it brings sensational bass effects.

Features

- 2.1 system with classic box design for vintage style.
- Wooden cabinets for superb acoustic performance and crystal clear music experience.
- Bass reflex tunnel on frontal panel for deeper bass.
- Woofer driver outside the bottom of subwoofer box amplifies the bass effects.
- Master volume control on back panel.
