

Material	Aluminum (6061-T6, 6063, 7075-T6,5052) etc. Brass/Copper/Bronze etc.
Process	CNC Machining, CNC turning, CNC milling, CNC lathe machining, CNC boring, CNC grinding,
	CNC drilling etc.
Surface Treatment	Clear/color anodized; Hard anodized; Powder-coating; Sand-blasting; Painting;
	Nickel plating; Chrome plating; Zinc plating; Silver/gold plating; Black oxide coating, Polishing etc.
General Tolerance	(+/-mm) CNC Machining: 0.005 Turning: 0.005 Grinding(Flatness/in2): 0.003 ID/OD Grinding: 0.002
	Wire-Cutting: 0.002ISO 2786 Medium
Production Capacity	Depend on complicity of different products and the quantity
Packaging	Standard: pearl cotton and bubble bag, carton box and seal
	For large and big quantity: pallet or as per customers' requirement
Term of Payment	T/T, Paypal, Trade Assurance etc.
Minimum Order	Comply with customer's demand
Delivery way	Express(DHL,Fedex, UPS,TNT,EMS), By Sea, By air, or on your requirement
