DJS-LC140-N3060

CPU	Intel® Celeron® Processor N3060 Main frequency: 1.60Ghz Turbo frequency: 2.48Ghz 2 cores 2 threads
Product form	Appearance size 332*209*19.9mm Material Plastic ABC fire retardant material Weight (single machine net weight) 1.3Kgs axis angle 180° screen size 14.1/TFT-LCD Screen type TFT screen resolution 1366*768
Battery	High energy polymer lithium battery, without fuel gauge 7.6V/4000mAh
Type	Description
GPU	/
RAM	8G DDR3L-1600
SSD	128G/256GB/512G SATA SSD
touch screen	None
camera	USB Camera 300,000
Speaker	Built-in 8Ω1Wx1
3G	None
4G	None
Hall switch	Onboard
Type	Description
WIFI	Onboard WIFI5 (802.11 a/b/g/n/ac) supports 2.4G/5G dual frequency
Bluetooth	BT 4.2
Ethernet	None
Type	Description
TF memory card holder	MicroSD
TYPE-C interface	None
USB interface	USB 3.2 GEN1*2
Headphone jack	ø3.5mm standard headphone jack, 4 sections
DC interface	ø3.5mm DC-IN
HDMI interface	Mini HDMI 1.4B
keyboard	Built-in US layout, without backlight
Microphone	Digital wheat
touchpad	Built-in, I2C, multi-function touchpad
SIM card	N/A
fingerprint	None
indicator light	There are 5 lights in total, the charging light is red (the red light is always on when charging), the green light is on when fully charged (it is always on when fully charged), the power indicator light, the upper and lower case light, and the touchpad lock light
Type	Description
power adapter	12V/2A
Type	Description
operating system	Windows 11 PRO None
