

2337 SPEC SHEET

2023.01.10

Product Picture		Selling Points
		◆ 2K camera, clearly record every detail.
		◆ Black light full color, Clear and full color under 0.01lux light.
		◆ In an extremely low black state, it will switch to infrared night vision with Large-angle infrared lights which have delicate night vision effects.
		◆ Two-way intercom, to meet the needs of on-site remote instant communication; echo cancellation, clear and accurate communication between the two parties.
		◆ Support mobile APP. The on-site situation can be monitored at any time through the mobile phone, and an event or abnormal alarm will be sent immediately when detected.
		◆ Support motion detection, sound detection and human detection.
		◆ Support local storage. The TF card supports a maximum capacity of 256G, and the local video can store more content and save it for a longer time.
		◆ H.265 efficient encoding, saving a lot of storage space.
		◆ All metal shell body, better heat dissipation, beautiful appearance.
		◆ Support 2.4G dual antennas, more stable signal, and supports POE signal transmission;
Product Features		
   		
Configurations		
Hardware	SOC	Sigmastar SSC30KD, 0.3TOPs
	DDR	1Gbit Built-in
	Flash	128Mbit
	OS	Linux
	NPU	0.3 TOPs
	WiFi	Support 2.4G dual antennas
	Image Sensor	GC4653, 1/3inch
	Pixel Size	4MP
	Lens instructure	1G+4P
	Lens Angle	D94.3*H78.7*V41.6
	Aperture	F1.6
	Power supply	Wall-plug power supply/Output 12V1A/White color/Line length 3M Or POE power supply
	Network	Support dual antennas wifi 2.4G and POE RJ45 Ethernet Port, 10/100Mbps
	Rotation Angle	/
Videos	Image Resolution	2K (2560*1440)
	Frame rate	20fps
	Encoding Format	H.265
Detection	PIR	/
	Lens	/
	Trigger brightness	/
	Trigger angle	/
	Trigger distance	/
Night performance	Infrared night vision Configuration	2pcs 850nm High power infrared light, 2pcs High power white light
	Infrared night vision distance	15 Meters
	Full color night vision Configuration	In the state of less than 0.01lux, the white light is turned on; true color display, no smear
	Full color night vision distance	15 Meters
Audio	Intercom mode	Full duplex two-way intercom
	Intercom distance	5-8M
	Speaker	8Ω1W
Software	APP	AloT/ Tuya
	Supported system	IOS/ Android
Storage	Local storage	Support up to 256G TF card
	Cloud storage	AloT Cam
AI features	Image algorithm	Support human detection and area detection.

AI features	Sound detection	Support
Battery / Super Cap	Battery type	/
	Battery Capacity	/
	Battery life	/
Accessories	Chime	/
	AC adapter	Wall-plug power supply/Output 12V1A/White/Line length 3M Or POE power supply
	USB Cable	Line length 3M
Product size	Product size	156*76*80 mm
	Product weight	400g
	Waterproof Level	IP66
Others	Operating temperature	-10° ~ +50°
	Storage temperature	-20° ~ +60°
	Certificates	FCC/CE/ROHS
