With 21L roomy space, it easily holds a 17-inch laptop, textbooks, clothes and daily necessities, balancing light weight and practical storage. Water-Resistant Puffer Fabric Adopted premium water-repellent quilted fabric, the backpack can effectively guard your items against splashes and light rain. The soft puffer texture delivers a fashionable look while ensuring long-lasting durability. Anti-Theft Pocket & Luggage Sleeve Design There is a hidden back zipper pocket to safely store wallet, passport and valuables. The luggage strap can slide over suitcase handles, freeing your hands during airport travel and business trips. Multiple Organized Compartments It has a fleece-lined laptop sleeve, main compartment, 2 front zipper pockets, inner zipper pocket and dual side bottle pockets. SBS zippers run smoothly, helping you sort out items neatly and access them quickly. Comfortable Memory Foam Shoulder Straps High-density memory foam padding on shoulder straps evenly distributes weight and relieves shoulder pressure. It provides cozy carrying experience for campus study, daily commute and weekend travel.	500	Pieces	45	65	TT	16	18	Ningbo	WILLY
