WIN-KARE TECHNOLOGY CO.,LTD

Specification

Type: Button press foot dimmer

Model: WKF-P48V36W

- Good dimming effect, using loop compensation and average current output
- Wide voltage input, 6-48V Wide voltage input.
- High output precision, using high-performance LED driver chip, high output precision.

Application Scenarios

Floor lamp.

Living room, exhibition room, library, restaurant, hotel, etc.

Product Appearance

Size: 70*70*29cm

Technical Parameters:

- Operating temperature: -20-60 degrees Celsius
- Input voltage: DC24V
- Output voltage: DC9-24V
- Current: 1.42A
- Rate: 35w
