

C80 M0 Y100 K0

尺寸: 150*17*110mm

备注: 正面过UV

Specifications

- Name: M.2 SATA Portable Hard Disk Enclosure
- Input: M.2 SATA
- Output: TYPE-C3.1 GEN1 Type-C
- Transmission Rate: 5Gbps Max
- Compatible SSD: M.2 SATA SSD 2230, 2242, 2260, 2280
- Supported System: Mac OS, Windows 7/10, Android 6.0 Above system

Features

- Screw-free disassembly, no tools required, easy hard disk disassembly and assembly.
- Anodized aluminum alloy shell, uniform heat dissipation, protect the hard disk.
- Using high-performance chip and circuit design, data transmission is more stable.
