

NOTE STRAPPING MACHINE

Model No.: BM320C

FEATURES:

- * Intelligent one-button press for intelligent malfunction diagnosis
- * Ultra-short paper tape transmitting passageway to avoid paper jamming problem
- * Open platform supporting single-cross or double-cross strapping
- * Compatible for low & high temperature-rated paper tapes.
- * Adjustable binding strength, binding temperature, and feeding length of paper tape
- * Open type construction design for an easy technical maintenance
- * Compact and light for easy carrying

SPECIFICATIONS:

- * Strapping Time: 2 sec/strap
- * Paper tape width: 20mm
- * Binding Temperature: Multi levels available
- * Strapping Strength: Multi levels available
- * Power Supply: 220V $\pm$ 10% 50HZ
- * Power Rating: 40 Watts (Standing-By <7W)
- * Unit Dimensions: 250mm $\times$ 210mm $\times$ 150mm(W $\times$ D $\times$ H)
- * Unit Net Weight: 3.7kgs
- * Unit box size: 320*270*220MM(W*D*H)/4.7KGS
- * Master Carton: 45CM*66CM*29CM/4 Units/20KGS
