brand name

JINGQUNDA

model number

water dispenser

dimensions (l x w x h (inches))

417*305*130mm

power (w)

2500W

after-sales service provided

Free spare parts

warranty

1 Year

installation

stand

private mold

NO

Logo/graphic design

Silk screen printing

Product Name

Water Dispenser

Size

417*305*130mm

Rated Voltage/Frequency

220V/50HZ

Total Rated Power

2500W

Maximum Hot Waterproduction Capacity

>90°C 40L/h

Using Ambient Temperature

10°C to 40°C

Water Inlet Pressure

0.1-0.4MPa

Function

Hot & Cold

Gross Weight

3.6kg

Package Size

350x170x485mm

Packaging and delivery

Selling units

Single item

Single package size

35X17X48.5 cm

Single gross weight

3.600 kg
