

No stuffy feeling with breathable foam

The slim, lightweight design incorporates a cushioned headband and perforated, breathable materials for hours of comfort, whether you're gaming, listening to music, or watching videos.

Lightweight Design

Advanced components easily snap into the flexible, nearly-indestructible headset frame to configure the best fit and sound.

Light Mental Frame

At just 300 grams, Combatwing Lightning II Gaming Headset won't weight you down, making it ideal for prolonged gaming sessions.

Self-adjusting Headband

The headband is designed to fit your head perfectly to provide all day comfort.
