

# Characteristics

Battery capacity	2500mAh
------------------	---------

---

Charging time	~4 h
---------------	------

---

Color	Brown
-------	-------

---

Heating temperature	40/45/53°C
---------------------	------------

---

Material	ABS+metal
----------	-----------

---

Operating time	~13 h
----------------	-------

---

Type-C input	DC 5V/1A
--------------	----------

---
