

Specifications

Parameter categories	detailed information
model	SDL812
voltage	110 – 220V
power	50W
size	42*28*39cm
coverage area	10000m³
The capacity of essential oils	2*500ml/1000ml/5L
material quality	metal
pigment	black
control method	Bluetooth control

operational principle	Two fluid atomization
net weight	11.75kg
