

Product Name :	Smart Advertising Machine
CPU:	X86 (J1900/i3/i5/i7) 、Android (Quad、Octa)
Internal Memory:	2G (upgradeable 4 G、8G etc)
Memory:	2G、4G、16G、32G and other upgrades programme
Material Quality:	Frame Profile、Front blast proof tempered glass、Lacquer cold rolled sheet
Touch Screen:	10 point infrared touch screen (optional upgrade capacitive screen)
Lifespan:	More than 7 years
Color:	Silver, black, gold, other colors (customizable)
Humidity:	20%-80%
Electric Source:	AC100-240V,50HZ/60HZ
Screen ratio:	16:9
Resolution ratio:	1080*1920
Visual Angle:	178°
Smart Split Screen / Mode	

Multiple split-screen modes/can split-screen/function description	
Screen 1 :	
You can set up logo、weather、time, etc.	
Screen 2 :	
You can put in pictures, videos, music, etc.	
Screen 3 :	
You can put in pictures, videos, music, etc.	
Screen 4 :	
You can put in pictures, videos, music, etc.	
Screen 5 :	
You can set up scroll subtitles, etc.	
Product Features / Functions	
→ Integrated, can set automatic switch machine, simple installation, easy operation. → The screen surface is waterproof, dustproof, scratch-proof, oil-proof, explosion-proof, shockproof, high temperature resistance, high transmittance toughened glass (some functions need to be customized). → Support 720 P、1080P HD display, intelligent touch operation, full screen handwriting, high click density (some functions need to be customized). → High fidelity comfortable stereo horn, simple and beautiful fuselage design. → With cloud release, intelligent split screen, multi-screen display function. → Support a variety of applications, with touch function, both plug-in. → Machine shape, fuselage color can be customized. → 43~65 inches (customizable in size).	

Product Customization / Function	
Customized peripherals / Depending on the size of the machine case	
Camera	Thermal Printer
ID Card Reader	RFID Reader
Stylus Printer	Scanner Gun
Metal Keyboard	Bank Card Reader
Non-Contact Card Reader	Invoice Printer
