

Lumbar Soothing Massager M009

Specification: 38.5 \* 23.5CM

Use: sitting and lying

Massage mode: mechanical massage without power supply

Material: PP+ABS

Adjustment: four gear adjustable (7/9/11/13cm)

Color: blue, purple

Outer box: 50 \* 70 \* 60CM, 50PCS

Weight: 26KG, volume weight: 42KG

Function:

The surface is covered with needle pressure massage points to promote blood circulation and massage deeply, which can effectively relieve muscle fatigue.

Use self gravity for traction, open the lumbar intervertebral space, make the intervertebral disc protrude and retract, and reduce nerve compression.

Magnetic acupuncture can strengthen blood circulation and relieve local muscle pressure

Sitting and lying can help you stand tall and straight anytime and anywhere.

The fourth gear is adjustable, and the radian can be adjusted according to your own needs to get rid of the fixed gear limit
