

Characteristics

Air flow rate	3.8-9.3m/s
---------------	------------

Battery capacity	4000mAh
------------------	---------

Charging time	~5 h
---------------	------

Color	Beige
-------	-------

Material	ABS
----------	-----

Operating time	~2.5-9 h
----------------	----------

Power	6W
-------	----

Product size	134x54x52.5mm
--------------	---------------

Revolutions per minute	4428-9240
------------------------	-----------

Type-C input	DC 5V/2A
--------------	----------

Weight	180g
--------	------
