Parameter	Product Model	K101
	Product size	W300*D150*H360mm (Square)
	Package size	W395*D200*H450mm
	Voltage	220V
	Power	31W
	Noise Level	<50dba
	Weight	8.9kg
	Net Weight	7.4kg
	Suitable coverage	5000M ³
	Oil Consumption	6ml/h ±5%(Continual Working / Hour)
	Color	Black
Item Details	1、 Strength corrosion preventive solid painted metal outer.	
	2、 PCB (Printed Circuit Board) control, it could set 4 timer period in24-hours system, which day to work in a week (Beijing Time) Fragrance concentration could be adjustable by setting the expanding work time, work& off period from 10sec-300sec.	
	3、 Smart& safe on-off of power jack, switch, fuse wire.	
	4、 Japan long-life compressed air pump ,works up to 8000 hours	
	5、 Φ16mm Connecting Pipe Socket	
	6、 Key & Lock	
	7、 500ml Essential Oil Aluminum Bottle, (1000ml bottle is suitable and available as well)	
	8、 Shocked Resistance Mat	
Supported Parts	1、 Power Wire	
	2、 1500mm length Φ 6mm special use corrosion preventive plastic pipe	
	3、 Key	
	4、 Plastic Mist Atomizer	
	5、 Instruction Manual
