Electronic device storage cases		4-layer foldable cable organizer bag with flexible elastic straps to arrange various cables neatly. Extra mesh pockets hold chargers and small electronics. Made of water-repellent and shockproof material, it keeps accessories tangle-free for home, office and travel.	cable organizer bag, electronics storage case, travel cable organizer, multi-layer charger bag, waterproof cable storage pouch	Large Capacity Cable Organizer Bag, 4-Layer Foldable Electronics Storage Case, Waterproof Shockproof Travel Organizer	WLLXR-0610-10	4-Layer Foldable Design with Elastic Straps Features a 4-layer foldable structure with multiple elastic straps to keep all kinds of charging cables organized and tangle-free. It can hold dozens of cables, USB drives, earphones and more in one compact bag. Water-Repellent & Shockproof Construction Made of water-resistant fabric with shockproof plastic bone reinforcement. The padded interior protects your electronics from bumps, drops, scratches and water splashes during travel and daily use. Multiple Compartments for All Accessories Besides elastic straps, there are large mesh pockets and a front zipper pocket to store chargers, power banks, hard drives, pens and small gadgets. Everything has its own place. Portable & Travel-Friendly Comes with a sturdy top handle for easy carrying. It's compact enough to fit in your backpack, laptop bag or suitcase, keeping your electronics organized on the go. Durable & User-Friendly Details High-quality zippers glide smoothly, and the reinforced stitching ensures long-lasting use. The foldable design also makes it easy to store when not in use. Note: Only the cable organizer bag is sold. All electronics and accessories shown are for display purposes only.	500	PIECES	45	65	TT	4	6	Ningbo	WILLY
