

Model	Description	Unit price (USD) FOB Shanghai		Min. Order	PKG. Size (mm)	NW/GW (KG)	MEMO
		Sample	Volume				
Sliding Gate Operator			USD96.00	100	270X250X305	10	Gear drive DC motor Copper worm
	DKC500DC (Power supply:220V/DC24V, Max. gate loading weight 500 KGS), Built-in control board and 2 remote transmitter, magnetic limit switch, without backup battery inside operator. ----- Separate backup battery 8 Ah 2 PCS, charger and box, USD42.00						
			USD101.50	100	270X250X305	10	Gear drive DC motor Copper worm
	DKC800DC (Power supply:220V/DC24V, Max. gate loading weight 500 KGS), Built-in control board and 2 remote transmitter, magnetic limit switch, without backup battery inside operator. ----- Separate backup battery 8 Ah 2 PCS, charger and box, USD42.00						
			USD79.20	100	270X250X305	10	Gear drive AC motor Copper worm
	DKC500AC (Power supply:220V, Max. gate loading weight 500 KGS), Built-in control board and 2 remote transmitter, magnetic limit switch, and installation accessories.						
			USD86.90	100	270X250X305	10	Gear drive AC motor Copper worm
	DKC800AC (Power supply:220V, Max. gate loading weight 800 KGS), Built-in control board and 2 remote transmitter, magnetic limit switch, and installation accessories.						

				90.20	100	350X290X380	14	Gear drive AC motor Oil immersed Copper worm
	SL1000AC (220V,Max. gate loading weight 1000 KGS), Built-in control board and 2 remote transmitter, and installation accessories.							
				106.70/SET	100	350X290X380	14	Gear drive AC motor Oil immersed Copper worm
	SL1500AC (220V,Max. gate loading weight 1500 KGS), Built-in control board and 2 remote transmitter, and installation accessories.
