

Solar Home System

Model	NSS8024
Solar panel	Mono crystalline, 18V, 80W
PV cable	10m, with DC connector
Power box	Solar controller, with LCD display LiFePO4 battery, 12.8V 24Ah 1 * Solar input 2 * 5V USB Ports 6 * DC12V output
Protection	Over charging, over discharging, over heating or short – circuit, and can activate lithium ion battery by solar when its over discharged.
LED bulbs	3*3w DC 12V LED bulb 3*8m light cables
