

Crest 3D White Advanced – Glamorous White Toothpaste (3.3 oz, Pack of 3)

User Manual (English)

Product Overview

Crest 3D White Advanced Glamorous White Toothpaste is formulated to help remove surface stains and whiten teeth. Designed for daily use, it gently polishes enamel, strengthens teeth with fluoride, and provides noticeable whitening results.

Package Contents

Three tubes of Crest 3D White Advanced Glamorous White Toothpaste (3.3 oz each).

Key Features

Surface stain removal; fluoride cavity protection; enamel-safe whitening; refreshing mint flavor; daily stain prevention.

Directions for Use

1. Apply a pea-sized amount of toothpaste onto a soft-bristled toothbrush.
2. Brush teeth thoroughly for 2 minutes, twice daily.
3. Spit out after brushing. Do not swallow.
4. Rinse toothbrush after use.
5. For best whitening results, use continuously as part of your daily oral hygiene routine.

Safety Information

For adult use and children over 6 years. Keep out of reach of younger children. If more than the amount needed for brushing is accidentally swallowed, seek medical attention. Discontinue use if irritation occurs. Consult a dentist if you experience persistent tooth sensitivity.

Active Ingredient (Typical)

Sodium Fluoride – provides cavity protection.

Inactive Ingredients (Typical)

Water, Hydrated Silica, Sorbitol, Glycerin, Sodium Lauryl Sulfate, Carbomer, Flavor, Sodium Hydroxide, Titanium Dioxide, Sodium Saccharin, PEG compounds, and colorants. (Ingredients may vary by region).

Storage Instructions

Store in a cool, dry place. Keep the cap tightly closed. Do not expose to excessive heat or direct sunlight.

Disposal

Recycle the carton where facilities allow. Dispose of empty tubes in regular waste unless your local program accepts them.
