

London Fog Cranford 25" Expandable Spinner Features

Spacious Interior

The interior is spacious and allows for ample room during your travels. There is interior shoe pockets and zippered pocket and tie down straps that help secure clothes during your travels.

Recessed 8-Spinner Wheel System

8 low profile recessed spinner wheels are mounted to the chassis & positioned at the corners for superior balance & smooth rolling along with fitting today's airline standards. By recessing the wheels the carry on meets airlines standards without sacrificing capacity.

Locking Push Button Handle

Aluminum locking push button handle system has channels for added strength and has a comfortable grip locking handle. Rear ID pocket slot.

Self Repairing Nylon Zippers

The Cranford Collection offers Ergonomic signature zipper pulls on self-repairing nylon zippers.
