## ABOUT US

iGift Company Limited is a corporate uniform provider which is devoted to supplying diversified collections of customized work wear, staff uniforms and sportswear for various organizations. We are also an event-based apparel supplier that tailors your event wear with a broad range of logo designs, from silk screen printing and embroidery to heat transfer, inkjet printing, etc. Our products include T-shirts, Polo shirts, vests, hoodies, zip-up, sweaters, blouses, jackets, etc. We also provide custom-made garment styles which actualize your design ideas to real products.
