

Catalog Sheet

Supplier:Zhuhai Ltl Acorn Electronic Co.,Ltd

Tel: +86-18948156362

Email: Shannon@ltlacorn.cn

The quote based on EXW zhuhai, the qty is under 50pcs.

Ltl-6511-4G Series		Sensor: 5 Mega Pixels Color CMOS
Ltl-6511-4G(Advance)		Picture resolution 2MP/5MP/12MP
Ltl-6511W-4G(Advance)		Video size 1440x1080/1280x720/640x480 with audio
		Standby time: up to 3 years (6x18650 battery)
		0.8s trigger time
		42 LEDs, 850nm(visible) and 940nm(invisible)
		4G LTE module, supports TDD LTE and FDD LTE, no limitation size to send video, 1min to send a 40MB video with video length 60s, 20s to send 1MB picture.
		External 2.36" LCD color display, 6 keys
		Advance version: send thumbnail 640*480 to email/mobile via 4G network, 12MP picture and video to E-mail via email automatically.
		55 degrees: 940nm flash distance 18M(850nm:35M)
		100 degrees: 940nm flash distance 13M(850nm:30m)
		Appointed 32GB Kingston, Class10 SD card(not included), memory overwrite
Standard Package		Power supply: 4xAA battery in main unit, 6x18650 lithium battery in battery box/ solar panel/ DC power(6V-12V)
Digital Camera+External Display	1pcs	PIR sensing distance: 18 m(below 25℃, normal sensitivity)
Strap	1pcs	Support bands: 4G LTE FDD: B1/B3/B7/B8/B20/B28A, LTE TDD: B38/B40/ B41, 3G:B1/B8, 2G:B3/B8.
Warranty Card	1pcs	Kind notice: please advise frequency of your 4G operator for choosing correct module, thank you.
4G Antenna/GPS Antenna	1pcs	GPS: search coordinate of the camera and update time at 00:13 every day.
