

L7

Product Features:

- 4MP video pixels 1/2.8-inch CMOS
- IR-CUT automatic switching to achieve day and night monitoring
- 6pcs 850nm IR LEDs and 16pcs white lights, IR distance: 8-10M
- Support digital WDR and 3D noise reduction functions
- Built-in non-removable rechargeable 5200mAh/3.7V battery, support camera working 2-3 months and can customize 6700mAh battery

Description		Parameter
Image Sensor		1/2.8-inch CMOS
Effective Pixels		2560*1440(4MP)
IR Distance		effective distance 8-10M
Frame rate		Fixed 20fps
TF card storage		Supports TF cards, up to 256GB
Lens&FOV		D:108.7° H:91.3° V:49°
Video & Audio		
Compression		H265
Night vision		
Reset button		YES
Standard		2.4G WIFI IEEE 802.11b/g/n
Supported Mobile Phone OS		Android, IOS
General		
Power interface		Type-C 5V/2A
Operating Temperature		-10°C to 50°C
Output voltage		DC 5V/2A
IP Rating		IP65
Certifications		CE、ROHS、FCC
Accessories		Power adaptorx1 Camerax1 Manualx1 Installation Accessory Packagex1 Installing kitx1
Length*Width*Height		80*73*174mm
