

# RG Cube TECHNICAL SPECIFICATION

Color	Beige White/Radiant Purple/Gray/Black			
Screen	3.95-inch IPS screen, OCA full lamination, multi-touch, resolution: 720*720			
CPU	Unisoc T820 processor, 6nm EUV 5G SOC chip 8 cores 1*A76@2.7GHz+3*A76@2.3GHz+4*A55@2.1GHz			
GPU	Quad Core Mali-G57 850MHz			
RAM	8GB LPDDR4X			
Storage	128G UFS2.2			
System	Android 13			
WIFI/Bluetooth	2.4/5G WIFI 802.11a/b/g/n/ac,Bluetooth 5.0			
Games	Supports Android games (Genshin Impact, Honor of Kings, etc.), PS2, WII, NGC, 3DS, PSP, Dreamcast, Sega Saturn, PS1, NDS, N64,ARCADE, FBA, NEOGEO, GBA, GBC, GB, SFC, FC, MD, SMS, MSX, PCE, WSC,PICO8, NGP,etc. Supports users to download related format games.			
Language	Multi-language			
Speaker	High fidelity dual speakers			
TF card	Support TF card expansion, up to 2TB			
Battery	Polymer lithium battery 5200mAh, battery life 7 hours			
Charging	Support 5V/2A charging, approximately 3 hours to fully charge			
RGB lighting effect	16 million color RGB joystick lighting, support constant light, breath, rainbow, marquee, chasing, gaming and other light effects, support customize the color and adjust the brightness.			
Other function	Built-in microphone, Built-in Hall joystick, Six-axis gyroscope sensor, Hall trigger, High-speed fan and Active heat dissipation, Supports FOTA wireless upgrade, Online multiplayer, Streaming, Wireless screencasting, USB Type-C Supports 1080p DisplayPort output, vibration motor, Supports 3.5mm stereo headphones, Power-saving settings, Joystick light control, Display brightness, and various function properties and free settings.			
Accessories	USB charging cable, color box, manual, tempered glass screen protector			
Carton Specification	Length 39.5cm	Width 34cm	Height 24cm	Weight 13.9KG(30pcs)
Box specification	Length 19.1cm	Width 11cm	Height 4.4cm	Weight 0.44KG
Console specification	Length 15.3cm	Width 8.6cm	Height 1.8cm	Weight 0.26KG
