type	describe	price	
Product form	Model: DJS-LC140-N3050/N4000		
	Name:14-inch laptop		
	Material:Components A, B, C and D are made of plastic.		
	Color: silver		
	Body dimensions: 320×210×16mm Packaging dimensions: / Net weight of single unit: 1.3 kg Packaging weight: /		
Featured Design	Portable and easy to carry. Suitable for light - duty office work and web - surfing. Equipped with a high - definition camera.		
Screen	14.1 inches, with a resolution of 1366×768		
keypads	Built - in keyboard (external keyboard supported)		
CPU	Intel® Celeron® Processor N3050/N4000 is equipped with 2 cores and 2 threads, along with a 2M cache. The processor's base frequency is 1.60 GHz, and its maximum turbo frequency reaches 2.16 GHz.		
Memory	8G LPDDR4 with BGA (Ball Grid Array) soldering on the motherboard		
hard disk	M.2 2242: 64GB-2TB		
Battery	High-density polymer lithium battery, 3500mAh/7.6V (with a battery life of about 3-4 hours)		
Camera	30W - 200W high - definition camera		
Bluetooth	Built-in BT4.2		
WIFI	WIFI 802.11ac/b/g/n IEEE 802.11ac 2.4、5GHz		
microphone	42dB, 2.2KΩ		
Trumpet	Built-in 8Ω/1W Speaker*2		
TF memory card holder	Micro SD Slot*1		
Standard USB interface	USB3.0 *2		
headphone jack	3.5mm ϕ four-segment headphone jack with microphone		
HDMI interface	micro HDMI*1		
Interfaces	Two USB3.0 ports; 3.5mm headphone jack; TF card slot; mini - HDMI port; DC port		
Power Adapter	DC 12V/2A 100-240V-50/60Hz 0.8A		
Expansion equipment	Supports Wired		
	Wireless Mouse		
operating system	Windows 10/11 (Multi-language Support)
